

Sloyd

I love learning, and I hate school. Sitting in a classroom while a teacher drones on is my idea of torture. It's unnatural and it's boring. 1 Mar - 9 min - Uploaded by Hoosierwoodcraft For those that remember wood shop, this is a tribute to one of the early leaders in Industrial Arts. All of a sudden I have heard lots of folk talking about sloyd. Like utsushi in my last post this is a foreign word which has many subtle. Definition of sloyd. plural -s.: a system of manual training developed from a Swedish system and designed for training in the use of tools and materials but emphasizing training in wood carving as a means to this end. Sloyd. Yes, sloyd. Still feels strange to say the word. The conversation was not homeschool directed, but woodworking directed. Are you beginning woodworking? The Sloyd method is considered by many advanced woodworkers to be the best apprenticeship in the craft. 25 May Sloyd, the late 19th-century Swedish system of learning woodworking, in promoting the Sloyd system of wood-working education over its rival, the Russian System. Later in the day, when I visited. WOODWORK 66 AUGUST Sloyd definition, a system of manual training based on experience gained in woodworking, originally developed in Sweden. See more.
